Decodor leads the market for others to follow and stands second to no other competitor in service, quality and guarantees. The product offers excellent value for money as it is made to last and has a 5 year warranty.

Durable ... Elegant

Decodor is backed by the Magnador brand and infrastructure and is available throughout South Africa through Magnador outlets in all major centres.

At the home...

Decodors can be fitted to multiple areas in the home such as ensuites, bedrooms, bathrooms, kitchens and passageways etc. Our decodors come with a key operated lock which offers privacy. Not only can decodors be fitted to standard reveals, but you can use them as modern stylish wardrobe doors too. You have a choice of four great colours to choose from to suite your surroundings.

In the workplace...

Decodors have been used in many work areas for eg. churches, medical practices, home offices, serving areas, office dividers etc. Decodors can be customised to fit wide areas where it can be centre closing or sectioned off to maximise you space requirements. Decodors come in standard heights, when the opening area is higher than standard we install a fixed panel to compliment your decodor.

Get creative...

Don't limit your creativity, our decodor range can save you space in many ways. Don't settle for cramped spaces, untidy old style doors and deal with the maintenance that comes with it. Change your home or workplace by upgrading your existing problem area with a new decodor and gain the extra space left over and enjoy the modern and stylish finishing.
